Electrical food slicer orbis¹

- foldable

This foldable food slicer made of easy-care plastic does offer simple and safe operation and reliable functions.

When opened, it stands skid-proof on the counter top. The patented, divisible carriage makes sure that the food slicer is always complete, even when folded.

The slice thickness may be seamlessly adjusted up to approx. 14 mm. The appliance also has a switch for intermittent and continuous operation as well as cable compartment.

The orbis¹ is driven by a 65 W eco motor which is 20 % more economical and just the same 50 % more powerful than the previous model.

When folded, the width of this slicer is only 10.5 cm.

A smooth ham- and sausage circular blade is available for every ritter food slicer.
